

The 13th International Symposium on Non-thermal/Thermal Plasma
for Pollution Control & Sustainable Energy

ISNTP-13

November 3-7, 2024

St. John's Hotel, Gangneung City,
Republic of Korea

Conference Topic (Tentative)

- A /** Fundamental of atmospheric discharge and diagnostics
- B /** Modeling and simulation of atmospheric discharge
- C /** Energy and Environmental applications
- D /** Biologic applications and agriculture
- E /** Material process
- F /** Any new topics in plasma

** The topic list could be adapted in the following announcement*

Important Date

Abstract Submission Open	📅 Jul. 1
Abstract Submission Deadline	📅 Aug. 2
Acceptance Notification	📅 Aug. 23
Opening of Registration	📅 Aug. 23
Early Registration Deadline	📅 Sep. 27
